UNLOCKING PERSONALIZED HEALTHCARE EXCELLENCE FOR JS BANK PRIVATE BANKING CLIENTS

JS Bank, in collaboration with TPL Life Insurance, brings exclusively designed personalized healthcare solutions that cater to the well-being of its esteemed high-net-worth customers.

Our personalized offerings address unique health needs, ensuring unparalleled care and convenience. Elevate your well-being with our comprehensive services, accessible from the comfort of your home.

CORE BENEFIT

► HEALTH CONCIERGE SERVICES

Say goodbye to the complexities of healthcare navigation. Our dedicated Health Concierge team is here to assist you at every step, ensuring seamless coordination and personalized guidance both locally and globally.

► KEY FEATURES:

- Get teleconsultation with a physician, nurse, and personal health manager, in the comfort of your own home 24/7.
- Access a multilingual team of qualified and registered general practitioners via audio call.

► HEALTH MANAGER

From scheduling appointments to addressing queries, your health concierge is just a call away, ready to provide the support you deserve both locally and internationally.

► ELECTRONIC HEALTH RECORD (EHR)

Through the TPL Life Mobile App, members will have access to your previous health data and records, including scans, blood tests, medical notes, and more. Have your medical history at your fingertips and share relevant data with healthcare providers effortlessly, ensuring a more coordinated and efficient healthcare experience.

► SECOND MEDICAL OPINION

Make informed decisions about your health with confidence. Our Second Medical Opinion service connects you with excellent medical experts for an unbiased assessment of your diagnosis and treatment plan. Gain peace of mind and ensure you are on the right path to optimal health.

► TPL SAHULAT

Embrace healthcare excellence with our state-of-the-art digital health platform. Access a wealth of resources, from telemedicine consultations to personalized health insights.
